About Nexans

For more than a century, Nexans has played a crucial role in electrifying the planet and is committed to electrifying the future. With 25,000 staff in 42 countries, the Group is driving the change towards the new world of electrification — a safer, more sustainable, renewable, carbon-free world, accessible to all. In 2021, Nexans generated €6.1 billion in standard sales. The Group is a leader in the design and manufacturing of cable systems and services in five main areas of activity: Energy Production & Transmission, Distribution, Uses, Industry & Solutions and Telecom & Data. Nexans was the first player in its industry to create a Corporate Foundation to support actions that promote access to energy for disadvantaged populations worldwide. The Group is committed to helping achieve carbon neutrality by 2030.

Nexans. Electrify the future.
